What International LETR Conferences have you attended in the past (year/location)?

If you have attended a LETR conference: what was your favorite part, what did you take away, why should you attend again to help the athletes of Special Olympics Minnesota?

What LETR events are you currently involved with and for how long have you been involved?

Which Special Olympics Minnesota events, other than LETR, have you attended in the last 3 years?

There is an expectation that in the 12 months following the conference, with your leadership a new fundraising event will take place. With that in mind, what are you hoping to take away from the conference that will help you make that happen?

Can you get pre-approval from your agency by May 17th to attend? (*Pre-approval not required*)
