

2024 Recreational Bowling League

WHAT

Join us from January 22 – March 15 for eight weeks of friendly competition. Bowl once a week, submit your scores and watch as the excitement unfolds with weekly updates on division leaders. At the end of the season, top teams in each division will be awarded, and every athlete will receive an SOMN recreation sports pin. Best of all, there's NO registration fee!

WHO

Everyone that is part of a community delegation or school is welcome to participate! There is no limit to how many athletes, partners, or coaches are on each team. Coaches can participate as long as they register as Unified Partners (**Community Delegation Only**). Everyone must be registered with SOMN to participate.

WHEN

Mark your calendars for the fun to start in mid-January! The league will run for 8 weeks, from January 22 – March 15. Teams can choose their preferred day for bowling. Just make sure to register before December 17, 2023. Stay tuned for the registration window announcement!

WHERE

You pick the bowling alley! Teams have the flexibility to choose a convenient location, and our HODs and coaches will handle booking the weekly sessions.

WHY

Because bowling is a blast! Our Recreational Bowling League lets you enjoy the sport year-round, with minimal travel required. It's all about inclusivity, fun and recognition. No matter where your team places, everyone gets a SOMN recreation sports pin.

SCORING

Coaches will manage weekly score submissions, and we'll introduce an online scoring system soon to make it even easier. Scoring system information will be shared with coaches once registration closes.

AWARDS

Awards are based on team averages, so it's anyone's game! After registration, we'll divide teams by size and calculate averages using every teammate's scores. Weekly updates will be provided. At the end of the season, top-placing teams in each division will be mailed a team award!
